## Events Around Town

### Wine On the Rock

Two days of wine and charcuterie pairings at all seven Bainbridge Island wineries. Harvest is a busy time of year in the wineries and is also the time of year when all the winemaking action really happens. Some of the wineries will still have grapes fermenting and other harvest activities going on. This Wine on the Rock event is unlike others where you can get a chance to meet with the winemakers, who will be at their wineries pouring or making wine. Event will take place at each winery from 12-5pm Saturday & Sunday.
